I am a retired university administrator, working for much of my career in the Registry of Loughborough University. I have been a member of the congregation of All Saints with Holy Trinity Parish Church Loughborough (ASwHT) for over 40 years.

I was an ASwHT foundation governor on the governing body of the former Warner Church of England Primary School, Pinfold Gate and a member of the first governing body of its successor school, Loughborough Church of England Primary School. I served as the second chair of governors.

I took a break of several years, returning as an ASwHT foundation governor in 2011. I have served continuously since then, becoming chair in the autumn term of 2019.
