#### Christmas is almost here!

I hope this newsletter finds you well and filled with the festive spirit. As we approach the end of this term, I wanted to take a moment to update you on some important news and events happening at Loughborough C of E.

Firstly, I would like to bid a fond farewell to Mrs Bardsley, who will be leaving us at the end of this term. We wish her all the best in her future endeavors. Please join me in sending her our warmest wishes.

In light of Mrs Bardsley's departure, I am pleased to announce that Miss Sulek will be taking over the Year 6 class. She has been working tirelessly to ensure a smooth transition for both herself and the students, and we have every confidence in her abilities. Additionally, we welcome Mr Cotton, who will be joining us to lead Year 4. We are excited to have him on board and look forward to the positive impact he will undoubtedly make.

I am also thrilled to introduce Mr Sharp, our new premises officer. He has settled in very well and has already become an invaluable member of our team. If you happen to see him around the school, please do take a moment to say hello and make him feel welcome.

Now, onto some exciting news for parents with children starting school next year. We will be hosting an Open Day on Wednesday, 13th December. This event will provide a fantastic opportunity for parents to explore our school, meet our dedicated staff, and learn more about our curriculum and ethos. Please refer to the flyer for further details and make sure to pass this information on to anyone you know who has pre-school age children.

As we approach the end of this term, I would like to take this opportunity to express my gratitude to all the staff, students and parents for their unwavering support and commitment to our school. Together, we have created a nurturing and inclusive environment where our children can grow and flourish.

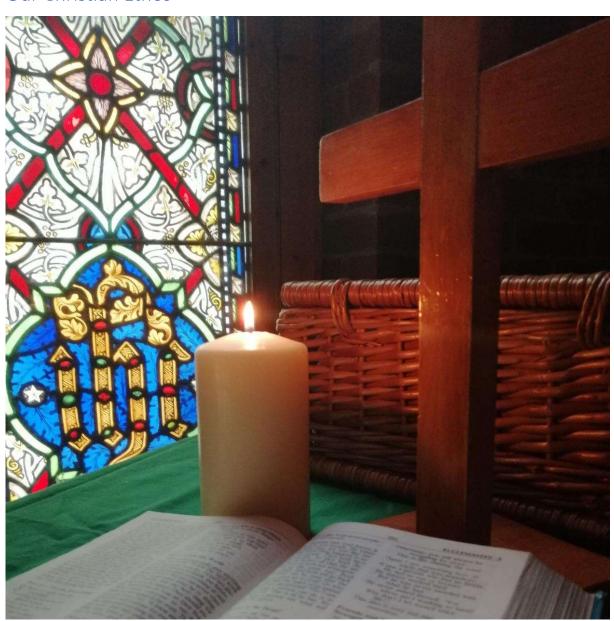

Finally, I would like to wish you all a joyous and peaceful Christmas. May this festive season be filled with love, laughter, and cherished moments with your loved ones.

Warmest wishes,

Janine Stillwell

# Our Christian Ethos

Collective Worship This term in collective worship we have covered a wide range of topics, including - justice, perseverance, inclusion, friendship and of course we are now thinking about Advent and the Good News of the Christmas story. We have spotlighted a whole range of special days and themes too such as Diwali, All Saints' Day, Odd Socks Day and Anti-bullying Week, Children in Need and Black History Month. We have also welcomed our regular visitors from Emmanuel Church and All Saints' Loughborough, as well as Keith Munro from the SOAR project and Gary Farnsworth from Rainbows Children's Hospice.

Junior Worship Ambassadors from each class, now help to lead our time together and we hope that they will now become even more involved in planning and leading collective worship.

# Admissions into Reception Class September 2024

We are in our final push for next years new starters admissions.... we are pushing out as much as we can about next years early years admissions as the window closes 15th January 2024! Please if you know anyone still looking for a school place, do send them our way! We would love to be their first choice school.

Did you know that we don't have a catchment area? Sometimes this means that parents of preschool children haven't heard about us! We are often told by parents visiting to look around, that they didn't know our school was here. We are working hard to get the council to put signposts up on roads that lead to the school to help us be found more easily.

Some of the local playgroups that we used to receive children from have closed this year and so even fewer people may know about our amazing school. Please help by spreading the word! If you know of anyone who has a child due to start school next September, please do encourage them to make contact with us to arrange a visit to look around and ask any questions. Visits are arranged via the school office. If you visit any toddler groups or nurseries, please can you take flyers with you to ask if they can be shared? Any support to ensure that we continue to thrive as a school with a full reception class each year will be very appreciated!

### We are a nut-free zone!

Just a reminder that a few of our children are allergic to nuts, so we are a nut-free zone. This means that items that you might put into packed lunches, even including things like Nutella spread on sandwiches, are not safe and must not be sent into school. If we notice any items that contain nuts or nut products, we will remove these from children's packed lunches and will send a message to explain and ask you to find an alternative for future packed lunches. Thank you for keeping all our children safe by following our nut-free school policy.

Please also note that no sweets should be included in packed lunches, and snack bars should be also checked for nuts.

#### Holidays or absence during term time

Parents do not have an automatic right to withdraw pupils from school for a holiday and in law, have to apply for permission in advance. At Loughborough C of E Primary, holidays will only be granted in exceptional circumstances. Such circumstances could include:

- a short absence (maximum of 2 days) to attend a close relative's wedding
- a religious/cultural festival, may constitute an exceptional circumstance (maximum of 2 days)
- if a parent, due to the nature of their work, cannot possibly take time off during the regular school holidays, then this might constitute an exceptional circumstance. However, this will

need to be evidenced by a letter from the employer (this letter must be on that company's official headed notepaper). A request of this nature will not be considered without a letter from employer, and repeat requests of this kind will not be granted.

Should you wish to make a term time request to take your child out of school for any reason, you must complete an 'Absence Application Form' available from the School Office. The request must be submitted at least two weeks before your intended first date of absence. Your request will be considered and you will be informed of the decision in writing.

Taking a child on holiday without permission is regarded as an unauthorised absence and each parent will be issued with a £60 fine - see Leicestershire Local Authority 'Pay a School Fine' here<sup>1</sup> Penalty Notices may also be issued for persistent absence and other forms of unauthorised absence.
