What a busy week we have had!

It was fantastic to see so many of you attending parents evening this week, we thank you for your continued support and engagement in your child/children's learning and progress.

Year 1 and 2 visited Emmanuel Church to find out more about the Easter Story, today we had a great time raising money for Comic Relief and attending Eco Workshops. We are looking forward to the Easter Service next week and the family Easter Craft afternoon - we hope that you can join us for these events!

Earlier this week we sent out a parent survey about our wraparound care offer. Lots of you have already completed it, thank you! If you have not yet responded please try to find some time to do so.

Year 1 and 2 enjoyed an Easter-themed visit to the Church. We learned about the Easter Story in a variety of ways e.g. through scavenger hunts, drama and art activities. The pupils had a great time developing their knowledge of the Easter Story.

Eco Committee:

Earlier today, we were visited by Team Recycle. A recycling company based in Coventry. Each Key Stage received a 30 minute workshop with them in which they shared more about what they do and how we can help them in the future. Team Recycle are currently collecting recycling which they will turn into medals for the Oslo 2024 marathon and they need our help! Please can you collect milk bottles, milk bottle tops and pop/water bottle tops. These need to be cleaned in order for them to be used for recycling.

Some of what we collect will be used to help create the medals, and the rest will be turned into a recycled mural of our school logo that we can display in school. A letter from Team Recycle is also attached the email.
