The new school term has started off smoothly, with the children settling into their new classes and fully immersed in their learning for this half term. The new morning routine is running well, and it's been wonderful to see children, families, and staff gathering together on the playground each morning, fostering connections and strengthening our school community.

It was fantastic to see so many of you at our "Meet the Teacher" event on Monday. I hope you had the opportunity to learn about the exciting work happening in your child's classroom and to chat with their new teacher.

Thank you also to the parents, families, and friends who joined us for today's celebration assembly. It was a pleasure to welcome you into school and share in the successes and achievements of our children, we look forward to seeing you all again next week.

Wishing you all a restful and wonderful weekend.

Mrs Ferey

### Lost Property

We understand how frustrating it can be when a child has misplaced something in school and that it can sometimes be tricky to locate the lost item quickly.

So we have created a 'Lost Property Store' in one of our playground sheds. Any items of uniform, coats, hats or gloves etc will be placed in the large yellow storage tub in the shed. The shed will be open/unlocked at morning drop off, break, lunch and home time so that children and adults are able to look for lost items easily.

To make full use of the space in the shed we are also starting a lending library. We are hoping to fill the coloured boxes with lots of books for the children to enjoy at play and lunchtimes but also for you take home and share with your children. All we ask is that you return the books once you have read them.

**Donations:** please also feel free to add any unwanted/pre-loved books for others to enjoy.

Lending Library

Thank you for your patience as we transition to our new school food provider. We're excited to announce that the parent portal, allowing meal selection from home, will be available soon.

We are delighted to share that, at the end of the day on Friday 20th September, the Relish team will be offering menu samples for parents. More details to follow.

*With roots to grow and wings to fly*

**Our value this half term is...**

*'Just as the Lord has forgiven you, so you must also forgive others.'*

Colossians 3:13

**Forgiveness is**

- >Offering a new beginning and starting again
- >Restoring a friendship
- >Not holding a grudge
- >Saying sorry
- >Encouraging honesty

**PFA News...**

Sadly, Kate MacDonald and Jo Beals have decided to resign from their roles on the PFA. We are truly grateful for the support they have given to school and understand that these roles require huge dedicated, effort and commitment and thank them both for the support they have given to the school over the last 12 months.

As a result, we will be working closely with the remaining members of the PFA committee to make preparations for the year ahead and **will secure a date and time for this years AGM in due course.**

**TIPS TO STAY SAFE ONLINE**

**WHAT ARE THE RISKS?**

There are lots of fun and interesting things you can do on the internet. And it can be a great way to stay in touch with friends. But it's important to understand how to stay safe online.

Sometimes people will try to trick you into clicking dangerous links or sharing things about yourself. Or something you've shared might be used to bully or frighten you.

**5 ways to get support if things go wrong**

1. **Talk to someone you trust** like an adult, or you can always talk to a Childline counsellor
2. **Report bullying and abuse** directly to the website or app
3. **Delete things you've shared** that you're worried about or find ways to hide them
4. **Tell the police** by making a report to CEOP if someone is threatening or blackmailing you
5. **Plan for the future** and change your privacy settings so it doesn't happen again
