Dear Families,

We have had a very busy and exciting week in school!

Earlier this week, we hosted two headteachers from other schools within Rise Multi Academy Trust. These supportive visits allow headteachers to reflect on and assess the effectiveness of their school ethos and Christian distinctiveness. The visiting heads gave fantastic feedback, highlighting the wonderful learning environment, the engagement of pupils in collective worship, and how confidently our children spoke about our school vision and values.

Some of the wonderful comments from our pupils included:
"The teachers try their hardest to help students do their best."
"I enjoy playtimes—adults keep us safe and we have fun activities."
"Teachers add fun to lessons."

We all know how fantastic our pupils are and how hard both they and our staff work, but it is always reassuring to receive such positive feedback from others.

A reminder that Parents' Evening is next week, and bookings close at 6pm this evening on Arbor. If you haven't yet secured an appointment, please log in and do so as soon as possible.

Thank you for your continued support.
Mrs Ferey

We had a fantastic time celebrating World Book Day! The children looked amazing in their costumes and took part in a variety of activities, including drama, storytelling, and book sharing with teachers and friends.

A big thank you to all the parents who joined us for the parade and story sessions – your support made the day even more special!

With roots to grow
and wings to fly

Our value this half term
is...

'Glory to God in the highest,
and on earth peace, good
will toward men.'
Luke 2 : 14

Peace is

- > Being quiet on the inside
- > Having good feelings inside
- > Getting along and not arguing
- > Begins within each one of us

Social media has become an integral part of our daily lives, and with new apps being released all the time, it can be hard to keep up with young people's ever-changing internet habits .

High Speed training have created a series of Parents' Guides for five of the most popular social media apps to help you better understand whether these websites are safe for your child to use. From learning about how the apps work to assessing the concerns over safety, you can find all you need to know by using the QR code or going to [Parents' Guides to Social Media | Safety Guidance](#)
