# Newsletter

17th January 2025

Dear Families,

We've had a wonderful week here at school, and I want to take a moment to acknowledge the incredible hard work our children have been putting into their learning. It's been such a joy to walk around the school each day and see their enthusiasm and engagement in the various activities.

I'd like to remind you about our Open Afternoon next Thursday, starting at 2 pm. This is a fantastic opportunity to visit the classrooms and see the amazing work your children have been doing. As always, parents are welcome to take their children home early after the visit.

We are also delighted to welcome Miss Cad, who has joined our office team and will be supporting the school as Miss Beeby prepares for her maternity leave. We wish Miss Beeby all the best during this exciting time and are grateful for Miss Cad's support.

Thank you for your continued support and partnership in your children's education. We look forward to seeing many of you next Thursday!

Mrs Ferey

If you have any old costumes at home that your children have outgrown, we'd love to take them off your hands! Donations can be dropped off **anytime** at the office.

Thanks so much for your support—we couldn't do it without you!

# TIPS TO STAY SAFE ONLINE

## If your child has seen inappropriate content

Sometimes, innocent searches can lead to not so innocent results. And sometimes, children may look for things because they're curious.

It's important to know how to reassure young people and help them know what to do and where to go for support if they see inappropriate content online.

If your child has seen inappropriate content online, you can:

- talk with them about what they've seen – let them know what is, and isn't, appropriate for their age.
- they may have questions about what they've seen – you can get support for yourself by contacting our [helpline](#) to support you with tackling difficult conversations.
- find out how they came across the content so that you can minimise the risk in future e.g. by blocking certain sites and setting up parental controls, or educating your child about following links.
- reassure them they can come to you, another trusted adult or [Childline](#) if they're worried about something.
- get advice on setting up [parental controls](#) and make sure you review them regularly to ensure they are right for your family.
- avoid 'sharenting' or sharing explicit or inappropriate content you've seen online to raise awareness. Sharing content of physical or sexual abuse is illegal and can be upsetting to the child and others who come across it.
- report any inappropriate, illegal, explicit, identifying or distressing content to [CEOP](#) through their website. We also have more information about reporting content on our [online reporting page](#).
