11th April 2025

Dear Families,

We have had a very busy Spring term, filled with exciting trips, visits, and events that have enriched our school life and created lasting memories for our pupils.

We've been pleased to welcome members of Rise MAT central team into school this term. Their visits brought lots of positive feedback and clearly identified next steps. It's encouraging to see that the changes we've implemented, along with the continued dedication of staff and pupils, are having a meaningful impact. We're now in a strong position to continue improving our teaching, learning, and pupil experiences.

A heartfelt thank you to all parents, family members and friends who joined us at Emmanuel Church for our Easter service on Tuesday. Our Year 6 pupils led the service beautifully—well done to them for their hard work and leadership. We are very grateful to Emmanuel Church for hosting us once again.

We sadly say goodbye to Mr Dayman, who is leaving us after more than three years at the school. We wish him every success in the future and thank him for the valuable contribution he has made to our school community. Looking ahead, we warmly welcome Miss Black, who will be taking over the teaching of our Year 2 class for the Summer term. She has already spent time getting to know the children and we are excited to be working with her.

Our thanks go to Miss Cad, who supported us in the office after Miss Beeby began her maternity leave. We wish her well for the future and welcome Mrs Manning, who joins our admin team—we're delighted to have her on board.

Finally, we say goodbye and thank you to Mrs Roberts, who is leaving as she and her family prepare to move to Switzerland. What an exciting adventure! We wish them all the very best in this new chapter.

We hope everyone enjoys a restful and refreshing Easter break, and we look forward to welcoming the children back to school on Monday 28th April.

*Mrs Ferey*

First aid

### First Aid Reporting Is Going Paperless

After the Easter break, we will be moving to a paperless system, and all injuries and first aid incidents will be shared with you via Arbor. This change will help avoid issues with paper slips getting lost or not making it home.

Please be assured that for any injuries that cause concern—such as head bumps or other more serious incidents—you will still receive a phone call from a member of staff.

We hope this new system will offer a smooth and reliable way to keep you informed. If you have any questions about this change, please don't hesitate to get in touch with us.
