Welcome Back!

It has been wonderful to start the new school year with such a positive beginning. The children have settled back into school life really well and are already working hard.

A very special welcome goes to our new pupils and their families. We are delighted to have you as part of our school family, and it has been lovely to see the children settling in, making friends, and beginning their school journey with us.

We are all looking forward to the exciting term—and year—ahead!

Contacting us

Our staff are always happy to see you on the playground at the start and end of the day, and you are welcome to share brief messages with your child's class teacher at drop off or pick up.

If you would like a longer conversation, or need to discuss something confidential, please contact the school office in person, by phone, or by email, and they will ensure your message reaches the right member of staff.

We kindly ask for your understanding that emails are responded to during school hours, and staff will do their best to reply within **three working days**.

Your child's class teacher should usually be your first point of contact, as they know your child best and are well placed to answer questions or discuss any concerns.

We Are a Healthy School

Please ensure that any snacks brought into school follow our healthy eating guidelines. Crisps and chocolate bars are not considered healthy snacks and should not be brought in for breaktime.

KS1 (EYFS, Year 1 & Year 2):
Children are provided with a free piece of fruit or vegetable at school each day.

KS2 (Years 3–6):
Children should bring their own healthy snack for breaktime.
