Year 1	97.6%
Year 2	99.6%
Year 3	96.5%
Year 4	97.8%
Year 5	95.6%
Year 6	94.1%

Newsletter

5th September 2025

We have now completed our first full week of the academic year, and it has been wonderful to see the children settled into their new classes and routines. Already, lots of fantastic learning and wonderful work is happening across the school.

This week, we have been focusing particularly on the Fantastic Walking element of our behaviour and conduct policy. It has been lovely to see the children taking this on board and moving around school calmly and respectfully.

On Monday, Miss Sulek held a Meet the SENCO event – thank you to those who were able to attend. If you are a parent of a pupil with SEND, Miss Sulek will share the slides and information from the session with you via Arbor.

On Wednesday, we were delighted to welcome Jo Westaby, Deputy CEO for Education at Rise MAT, to visit our school. She attended our Collective Worship and had a tour of the school. She was very pleased with what she saw and her feedback was very positive.

Today we held our first Celebration Worship of the school year. A huge thank you to all the parents who joined us this afternoon. During Celebration Worship, children are given the opportunity to share successes and achievements from outside of school, as well as those from within. This week, Lochlann in Year 3 proudly shared his success in growing a sunflower – what a fantastic achievement! Well done, Lochlann!

Thank you, as always, for your continued support. I wish you all a restful and enjoyable weekend.

Mrs Ferey

Values Award

Year 1: Charlie

Year 2: Ellie-Rose

Year 3: Lochlann

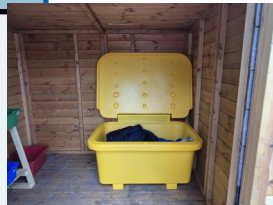

Year 4: Alfie

Year 5: Gustavs

Year 6: Arushi

Well done to the pupils receiving our Values Award this week

Lost Property

We understand how frustrating it can be when a child has misplaced something in school and that it can sometimes be tricky to locate the lost item quickly.

So we have created a 'Lost Property Store' in one of our playground sheds. Any items of uniform, coats, hats or gloves etc will be placed in the large yellow storage tub in the shed. The shed will be open/unlocked at morning drop off, break, lunch and home time so that children and adults are able to look for lost items easily.

Our Sports and PE Offer

We are excited to share that every class will now have two PE lessons each week. One of these will be taught by school staff and the other by a specialist coach from Premier Education.

We are also extending our partnership with Premier Education, who will:

- Run lunchtime sports clubs three days a week
- Deliver one PE session per week
- Support us with their high-quality PE curriculum

This means even more opportunities for our pupils to enjoy sport, stay active, and develop their skills with expert coaching.

WhatsApp is one of the most popular instant messaging apps, used by over 2 billion people in 180 countries. It allows you to send and receive messages, as well as make voice and video calls. You can connect with people individually or join group chats where lots of people can contribute. All you need to set up a WhatsApp account is a phone number.

However, children and young people can easily subvert the restrictions placed on its access. Although rated at 16+, all that is required is a phone number. All it takes is one child in a class to be on WhatsApp, and all the others will wish to join. This can lead to increased vulnerabilities for child users. The NSPCC has released its own analysis about the dangers of the app. You can find out more by following this link [Is WhatsApp safe for my child? | NSPCC](#) or by using the QR code.

A number of our learners, as young as Year 3, are using WhatsApp and are part of larger group chats. Unfortunately, some of the conversations that take place in these chats are not age appropriate and can also lead to cases of online bullying. Please ensure as parents/carers you are regularly checking your child's phone to ensure they are staying safe online and they are only accessing age appropriate Apps and material.

Polite reminder

We have noticed that some children are bringing personal belongings, especially footballs, into school. While we understand their enthusiasm, we kindly ask that such items are kept at home to avoid the risk of loss or damage. School provides the necessary equipment for playtimes. Please note that if personal items are brought in, the school cannot accept responsibility for any losses or breakages. Thank you for your support in helping us keep playtimes safe and fair for all children.

Our value this half term is...

'Just as the Lord has forgiven you, so you must also forgive others.'
 Colossians 3:13

Forgiveness is

- >Offering a new beginning and starting again
- >Restoring a friendship
- >Not holding a grudge
- >Saying sorry
- >Encouraging honesty
