Newsletter

12th September 2025

It's been a fantastic start to the term, with a real sense of positivity and energy flowing through the school.

Today, we welcomed a film crew into school to capture footage for updates to our website—our pupils were brilliant, and we look forward to sharing the final version with you soon.

As the weather begins to turn cooler and more autumnal, please ensure your child comes to school with appropriate layers such as jumpers, cardigans, and coats. Even if the morning is dry, conditions can change quickly, and we will continue to go outside unless the rain is torrential.

For children who walk to school in wellies on wet days, please pop a pair of school shoes in their bag so they can change once inside. Wellies can be uncomfortable for indoor wear, especially when sitting on the carpet, and they often bring in mud and moisture. We're regularly adding new events and activities to the school calendar, so do keep an eye on the newsletter for updates and additions.

Wishing you all a lovely and restful weekend.

Mrs Ferey

Values Award

Well done to the pupils receiving our Values Award this week

Year 1: Phoenix

Year 3: Ralphie

Year 5: Mia

Year 2: Miles

Year 4: Emike

Year 6: No one this week,
2 children will receive this next week

Car Park Reminder

A polite but important reminder that the school car park is for staff use only. While we understand that drop-offs and pick-ups for breakfast and after-school clubs may occasionally require car access, we ask that this is done considerately and with great care. Staff are often arriving and leaving during these times, and it's essential that the car park remains safe and accessible for them.

If you are bringing children to school or collecting them by car, please park in the surrounding streets and walk to and from the school gates. This helps ensure the safety of all pupils and staff. Thank you for your cooperation.

With roots to grow and wings to fly

Our value this half term is...

'Just as the Lord has forgiven you, so you must also forgive others.'

Colossians 3:13

Forgiveness is

- >Offering a new beginning and starting again
- >Restoring a friendship
- >Not holding a grudge
- >Saying sorry
- >Encouraging honesty

Online Safety and Social Media

Social media is an online platform that allows users to connect with others online. Depending on what platform you use, social media can allow you to communicate and share information with others with the intention to update or engage a specific audience. This can often include sharing videos, images, status updates or posts with a group of followers that can sometimes cover a global scale.

A lot of the time, social media is a positive place where users support each other. Despite this, it can also house toxic and harmful behaviours, which can be directed towards specific individuals or groups with the intention to harass, or cause upset.

Benefits of Social Media

- 1 Available and accommodating to most audiences
- 2 Can promote positivity and healthy expression
- 3 An accessible platform to connect with others
- 4 An instant platform for news and global awareness

Harm on Social Media

Many social media platforms have adapted to include reporting features in order to tackle certain types of online harm. Some of these harms to watch out for include:

- 1 Fake online profiles
- 2 Misinformation or fake ads
- 3 Scamming or fraud attempts
- 4 Radical online content

Considerations for Social Media

- 1 Harmful and offensive content may be seen across platforms
- 2 Can be used to promote misleading information
- 3 Can promote unhealthy expectations and pressure for young people
- 4 Can impact digital wellbeing if not managed correctly

Socialising Online

Social media provides a lot of freedom in how to connect with other users as well as how information and content is made available. This has provided certain platforms with worldwide appeal, giving anyone an opportunity to connect and engage with others. To promote keeping safe on social media, ensure that young people know how to:

- 1 Report harmful content online
- 2 Block and report users who are being offensive or harmful
- 3 Manage privacy settings to limit exposure to known friends and family members
- 4 Speak to a trusted adult if they are concerned about something online
