19th September 2025

We have a busy few weeks ahead with lots of exciting events taking place. Next week, we're proud to be hosting a Year 3 sporting event here at LCEPS, welcoming pupils from other Rise schools. It's a fantastic opportunity for our children to take part in friendly competition and spend time with pupils across the trust. We're also beginning our First Time Admission visits next week. If you know anyone looking for a school place for their child starting in August/September 2026, please do share the dates with them. These visits are a great way for prospective families to get a feel for our school and meet the team.

Parents' Evening is coming up in two weeks' time, and appointment booking opens today at 15:00 via our online system. This year, we're doing things a little differently to support families who may find it difficult to attend in person due to childcare or other commitments. We're offering one in-person consultation evening and one online consultation evening via TEAMS. Please make sure to select the option that best suits your needs when booking. This change is designed to give you flexibility and ensure that every parent has the opportunity to speak with their child's teacher.

Parents' evenings are an important part of our partnership with you. They provide a valuable opportunity to discuss your child's progress, celebrate successes, and work together to support their learning and wellbeing. Your insights and questions are always welcome, and we truly value the chance to collaborate with you to help your child thrive.

Wishing you all a restful and enjoyable weekend.
