# Newsletter

30th January 2026

We have had a fantastic week in school, and I want to start by thanking you for your continued support. We have seen a noticeable increase in pupils arriving punctually each morning. This makes a significant difference to their learning: when children are in school on time, they begin the day calmly, maximise their learning time, and are fully ready to engage with the lessons ahead. Thank you.

A reminder that Parents' Evening takes place next week. If you haven't yet booked an appointment with your child's class teacher, we strongly encourage you to do so. These meetings are a valuable opportunity for us to share how your child is progressing, celebrate their successes, and discuss next steps in their learning. It is also a chance for you to ask questions, share insights from home, and work together with us to support your child's education.

Today we enjoyed the Year 5 Class Assembly, and they did a fantastic job showcasing their learning. Their confidence, creativity, and teamwork really shone through. Thank you to all the family members and friends who were able to join us.

Wishing you all a lovely weekend.  
Mrs Ferey

### Playground Reminder for Parents

At Loughborough C of E we want all members of our school community to feel safe, respected, and welcome when coming onto the school site. With this in mind, we kindly remind parents and carers not to approach other parents or pupils to discuss issues or concerns, including disagreements, friendship fallouts, or incidents that may have occurred between children.

If you have any concerns, please inform a member of staff. We will always take the matter seriously, investigate appropriately, and work with the children involved to resolve the issue.

Where behaviour or actions fall outside of our expectations, we may follow the steps outlined in our Parent Code of Conduct, which is available on our school website. [Loughborough CofE Primary School - School Policies](#)

Thank you for your continued support in helping us maintain a positive and safe school environment for everyone.

### Jewellery Reminder

To help us maintain a safe and focused learning environment, we kindly ask that children do not wear jewellery to school. The only exceptions are small stud earrings and standard watches. Please note that smart watches are not permitted.

For PE lessons, all jewellery — including earrings — must be removed by the children themselves before the session begins.

Our full uniform policy can be viewed on our school website:

With roots to grow  
and wings to fly

Our value this half term  
is...

'I can do all things through Him who strengthens me.'  
Philippians 4:13

#### Perseverance is

- \* Keeping going, even when things are hard
- \* Sticking with tasks until they're finished
- \* Encouraging each other to try our best
- \* Appreciating the help and support we get
- \* Showing determination to reach our goals

# FUNDRAISING

Over the past year or two, we have enjoyed several fantastic fundraising events and activities for pupils and families—most memorably last year's Summer Fair, which was a wonderful success! These events have been organised by a small group of enthusiastic and dedicated members of our support staff, who have kindly volunteered their time and energy. We are incredibly grateful for their hard work and commitment.

As we look ahead, we would love to involve more parents, carers, and families in our fundraising efforts. Working together in partnership not only strengthens our school community but also helps us create even more enjoyable and successful events for everyone.

We are excited to begin forming a Fundraising Committee/Group and would warmly welcome anyone who is interested in supporting us—whether you can offer ideas, time, practical help, or simply enthusiasm!

If you would like to get involved in any capacity, we would love to hear from you. **Please email the school office to register your interest by Thursday 12th February.**

Thank you for your continued support. Together, we can create even more fantastic opportunities and events for our children.
