Newsletter

6th February 2026

It's hard to believe we're already heading towards the end of the first half of the spring term—this half-term has absolutely flown by!

We've had another busy week in school this week and I'd like to start by saying thank you to all the parents and carers who came along to our consultations. It really does make such a difference when we work together, and we appreciate the time you take to support your child's learning.

Next week our Year 5 and 6 pupils will be setting off on their residential to Conover Hall. I'm sure they'll have a brilliant time and come back with lots of great stories. A big thank you to the staff who are giving up their time to make the visit possible—we're very grateful.

Just a quick reminder that school is closed to pupils next Friday, staff will be attending training off site and Thursday 12th February will be the last day of this half term.

Lost Property Update

Our **Lost Property** area has now been moved to the space **just outside the office door**, where everything is kept **undercover**.

If your child has misplaced an item of clothing, please take a moment to look through the items next time you're passing.

To help us return belongings more quickly, please ensure **all clothing is clearly labelled**. Staff do their best to reunite children with their items, but this isn't always possible when things are un-named.

Thank you for helping us keep lost property under control.

Wear Your

SCARF

Day

Thursday 12th February 2026

As part of **Children's Mental Health Week**, we are inviting all children to **Wear Their Scarf to School**. This year's theme, "**This is My Place**," encourages children to think about what helps them feel **safe, valued, and connected**.

The word **SCARF** represents core values that support children's Mental Health and Wellbeing:

Safety, Caring, Achievement, Resilience and Friendship.

We look forward to seeing everyone's colourful scarves as we celebrate wellbeing across the school.

With roots to grow
and wings to fly

Our value this half term
is...

'I can do all things through Him who strengthens me.'
Philippians 4:13

Perseverance is

- * Keeping going, even when things are hard
- * Sticking with tasks until they're finished
- * Encouraging each other to try our best
- * Appreciating the help and support we get
- * Showing determination to reach our goals

Over the past year or two, we have enjoyed several fantastic fundraising events and activities for pupils and families—most memorably last year's Summer Fair, which was a wonderful success! These events have been organised by a small group of enthusiastic and dedicated members of our support staff, who have kindly volunteered their time and energy. We are incredibly grateful for their hard work and commitment.

As we look ahead, we would love to involve more parents, carers, and families in our fundraising efforts. Working together in partnership not only strengthens our school community but also helps us create even more enjoyable and successful events for everyone.

We are excited to begin forming a Fundraising Committee/Group and would warmly welcome anyone who is interested in supporting us—whether you can offer ideas, time, practical help, or simply enthusiasm!

If you would like to get involved in any capacity, we would love to hear from you. **Please email the school office to register your interest by Thursday 12th February.**

Thank you for your continued support. Together, we can create even more fantastic opportunities and events for our children.
