17th April 2026

Welcome back to the start of a new term. As always, this is a busy one with lots happening across school, including the important SATs week for our Year 6 children. We are hopeful that the improving weather will continue, bringing brighter days to match the positive atmosphere around school.

It has been wonderful to see the children return with such a positive attitude. They have settled back into routines quickly, working hard and consistently demonstrating our school values in everything they do.

Just a few days before the end of last term, we were pleased to welcome Kath Allsopp, Link Director for Rise MAT, on a visit to school. She was extremely positive and commented on the significant improvements she has noticed since her previous visit in 2025. In particular, she highlighted that:

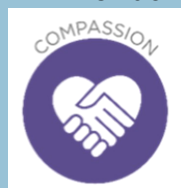

- The school felt calm and purposeful
- Children in all classes were engaged and focused
- Behaviour in classrooms was observed to be good

We are very proud of this feedback and it reflects the hard work and commitment of staff, pupils and families.

Thank you, as always, for your continued support.  
 Mrs Ferey
