

Year 2 Curriculum Newsletter

Autumn 1

Class information

Homework: Will be displayed on 'COOL' grids and given to the children physically as well as sent via Arbor. The children will need to complete what is highlighted in red and have a go at the other columns. P.E. is on Thursday and Friday. Please ensure that children come to school in their PE kit and appropriate footwear.

English

Key texts:

Man on the moon (a day in the life of Bob)

The bear and the piano

The big book of the blue

The couch potato

The tunnel

Grandads secret giant

How to wash a Wolly Mammoth

Writing:

We will be focusing primarily on sentence structure. This will include creating sentences using adjectives, verbs, nouns, noun phrases, verbs, adverbs and conjunctions.

Maths

We will be starting the year focusing on Place Value and how tens and ones are represented within numbers. We will be working with 100's while using number lines, number beads and base 10 resources.

Curriculum

Art – We will be learning about Henri Rousseau's work and how he influenced others.

Science -We will be learning about habitats, how animals obtain their food and simple food chains.

PE – Fitness and how to keep ourselves healthy

RE

What is the good news?

In this unit, we will be learning about Christianity and the journey of Jesus through the Gospels.

PSHE

'Me and My Relationships.

Children will be learning about the relationships in their lives and how to maintain them. This will include understanding how we are feeling, bullying and being a good friend.

Reading with your children at home will be a key element to their success in Year 2 and throughout school. Additionally, having your child to practice their 2x, 5x and 10x table will give them a head start as we progress in maths during the year. Furthermore, discussing new and interesting vocabulary you come across together will help with their ideas in English.

WOW Moments from last half term
