Year 2 COOL Activity Grid – Autumn 2

(Carrying On Our Learning)

Please complete the activities in Red and then try to complete at least three of the other activities.

Use 'Look, Say, Cover, Write Check' to practise the common exception words attached below. Have a go at writing one or two words in a silly sentence and then have a go at drawing your silly sentence! Don't forget to use capital letters, finger spaces, neat handwriting and full stops.	Read a book you have never read before.  <u>Challenge:</u> Can you create a book review using the template attached. What did you like the most? Who was your favourite character? Can you draw and describe them?	Find some two digit numbers around your house and add or take away 2 of them. Choose which method you would like to use: - Tens frames and counters (see additional sheet) - Use your fingers by counting on from the biggest number. - Use 2 types of objects. <u>Challenge:</u> Write the number sentences and draw the method you used to worked it out
<u>Valuing Difference</u> In PHSE our lessons are looking at Valuing Differences. Everyone is unique. Can you write or draw things that make you unique. Eg. hobbies, something you are good at, something that makes you smile, language/ cultures. Can you play spot the difference with someone at home and disucss all of the things that are similar and different about you both. Can you make a note of the things you notice.	**<u>Science – Keeping Healthy</u>** Can you draw a healthy meal and describe what you have included. You could make this as a meal and review it with your family. Keep a log of all of the things you did in a week to stay healthy! Did you have your 5 a day?	**<u>History – Victorians</u>** We will be learning about the Victorians and about their daily life. Can you make a fact file about Queen Victoria with all of the facts we have learnt so far. Can you research any new facts and maybe draw a picture?
<u>Shape</u> Go on a shape hunt around your home and garden. What 2D and 3D shapes can you find? We have provided a 3D shape guide to help you if you need it. Using the 3D shape faces make 2D shape patterns. What 2D shapes can be found on the different 3D shapes?	**<u>RE – What makes places sacred?</u>** Our next topic will be looking at sacred places. Can you research what sacred means, and what places can be sacred. Can you draw or write down the ideas and facts you have learnt. Can you draw a picture of any of the sacred places?	**<u>Respect - Kindness</u>** Our school value this term is 'respect'. Showing kindness to people is being respectful. Think about some random acts of kindness you can do for people you know. It could be making someone a card, helping clean up with being asked to, baking a cake for your neighbour etc.

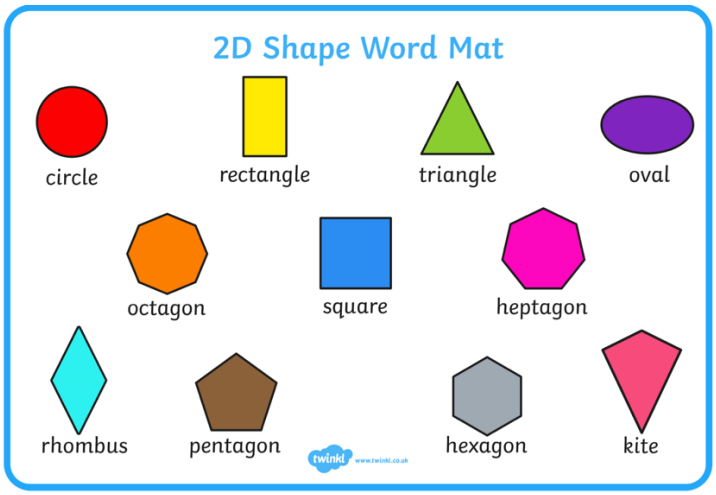

We can't wait to see what you get up to.

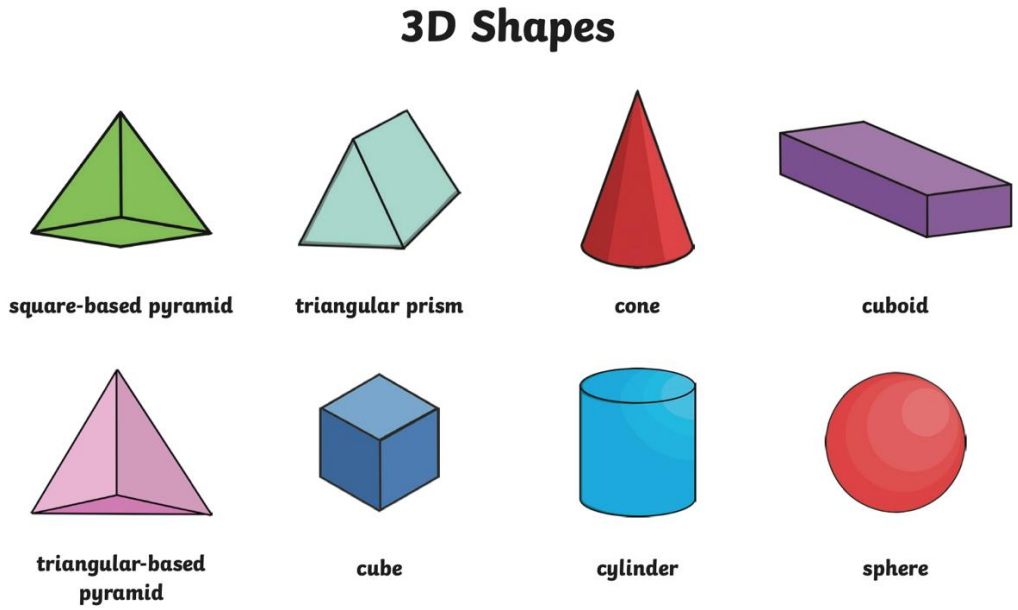

Miss Burns / Miss Spence

Common Exception Words

after	class	floor	most	pretty
again	climb	gold	move	prove
any	clothes	grass	Mr	should
bath	could	great	Mrs	steak
beautiful	cold	half	old	sugar
because	door	hold	only	sure
behind	even	hour	parents	told
both	every	improve	pass	water
break	everybody	kind	past	whole
busy	eye	last	path	who
child	fast	many	people	wild
children	father	mind	plant	would
Christmas	find	money	poor	

Maths Resources

Book Review:

- Book Title: _____
- Author: _____

1. Draw a picture of your favourite part of the story:
