LOUGHBOROUGH CofE PRIMARY SCHOOL

Year 3 HOMEWORK Autumn 2 – 2026

Completing your homework every week will help you become the very best that you can be. "Together in God's grace, may we give our children the roots to grow and the wings to fly"

Dear parents,
The following tasks will be invaluable in supporting your child's learning in school. Your child should be able to complete most of the tasks themselves, thus improving their independent learning skills. However, your support will be welcome at all times. All pupils are expected to complete the homework tasks as stated below. Homework books need to be handed on the last Monday before half term.

Year 3 COOL activity grid
Please complete the activities in Red and then try to complete at least three of three other activities:

English In English we are writing a narrative to entertain. Write a short story (about 1-2 paragraphs) using your imagination. Imagine one day your pet (or any animal you like) suddenly started talking! What do they say? What do you do together? Do they take you on an adventure? Please encourage neat handwriting and presentation.	**Reading** Please complete the fortnightly reading comprehension sheets. It will help develop your child's reading skills. Remember to bring them in on the following Friday. Children should read at least five times a week for 15-20 minutes. This doesn't always have to be the children's reading book from school.	**Maths** Please complete the fortnightly maths sheets, as this will secure your child's understanding in our topics. Remember to bring them in on the following Friday.
D&T Pneumatic monster Design your own monster! Draw and label your monster, thinking about which part could move using a pneumatic system. Explain which part you would like to move and why.	**English-Become and grammar detective:** Ask an adult to write a sentence with spelling, punctuation or grammar mistakes. Can you spot the mistakes and rewrite the sentence correctly?	**School Values** **This half-term's focus value is Respect.** Show respect at home or in the community! Write a couple of sentences about what you did, and what difference it made. Additionally, you could even take a photograph to go alongside your sentences.
RE- 'What is it the Trinity and why is it important for Christians?' Draw a picture that shows the Trinity. God the Father, God the Son and God the Holy Spirit.	**Science: Nutrition and Movement:** Choose one food and describe its journey through the digestive system, from entering the mouth to leaving the body. Then draw and label the digestive system, showing the journey the food takes.	**Maths – times tables:** Practice writing your times tables. Time yourself and see if you can beat your time each time!

Remember to complete your work in your homework book. You can stick pictures in to show the work you have done.
Please ensure homework is back in before the end of this term.
In addition to your homework, you will also get spellings to learn for a spelling test at the end of each week. These spellings will be given out shortly.
